International Student Airport Pickup Form

The Office of Study Abroad and International Exchange at Austin Peay State University offers a one-time, courtesy pick-up service to first-time international students arriving only at the Nashville International Airport BNA (Nashville) if we are notified at least two (2) weeks in advance. Students are expected to use [Groome transportation service](#) to arrive at Exit 11 where a staff or First Friend will be waiting.

If you would like someone to meet you at Exit 11 when you arrive, please complete the form below. Students can send it to us via e-mail (as an attachment) to internationaled@apsu.edu. It is very important that you inform us at least two (2) weeks in advance of your arrival. If you fail to give the required notice, we cannot guarantee your pickup. Be certain that you complete the form below and return it to us as soon as possible.

Note: To avoid confusion, if you are asking the Office of Study Abroad and International Exchange to arrange to pick you up at the Exit 11 Park and Ride, please do not also ask someone else to pick you up.
