

ABOUT TECTA

TECTA aims to meet early childhood professionals exactly where they currently are in their careers, whether they are just beginning or have been caring for children for many years.

TECTA SITES

Each TECTA site provides Orientation, online training, certificates, credentials, and degree support for early childhood teachers and administrators in all 95 Tennessee counties.

OUR VISION

The vision of the Tennessee Early Childhood Training Alliance is to provide professional development that nurtures the growth of individuals in a community of learners through an articulated statewide higher education system, resulting in the highest quality early childhood experiences for all of Tennessee’s children.
