\*The Basic Space Rental includes providing access to the space by unlocking doors and turning on the permanently installed ‘work lights.’ No other amenities are included in the Basic Space Rental. The Basic Space Rental for Trahern Theatre (TR 220) only includes use of the stage area downstage of the Main Drapery known as the Apron (roughly 36’ wide and 10’ deep). Needing to use the full stage will be an upcharge as this space is typically occupied by Drops and Scenery that need to be laid out and painted on the floor.

\*\* If lighting looks are desired there will need to be a Space Supervisor present to run the Light Board which means the Space Supervisor hourly rate will be added

‡ Use of a follow spot will necessitate a \$15/hr Follow Spot Operator rate per follow spot used.

Note: A new “lighting look” would be any time the lights change. which includes taking the house lights to half during the performance.

Fees and Price Breaks may be negotiated on a case by case basis.
